From the Mug: Comr., letter no. C. 17 dt 6/25-6 & 21-6-25 states that the car festival is at present carried on by the help of the Devotees & that practice need not be interfered with till Govt can guarantee a sufficient annual income to the temple for the purpose and recommends an increase of the annual cash grant from State funds, if possible -

7. As already stated, the question of the grant to the temple of cash is one of principle if there is no other cash resource for the purpose of the temple, an increase of the cash grant, if possible, is recommended.

8. As at present, no interference in the conduct of the festival is recommended -

9. All possible facilities by way of water & accommodation are said to have been provided & the festival of the car is final.

10. The question of the encroachment of the cash grant is open for consideration - Dewan's letter is silent on this point.

The Mysore Court has reported that in the specific matter referred to by the petitioner nothing need be done and that existing arrangements are sufficient. He recommends however that the temple may be given a larger cash grant than at present and suggests that the lapsed grants of other temples amounting to Rs 170-0 may be added to this temple's present cash grant of Rs 400. The recommendation may be agreed.

Is it possible to get a complete statement of temple grants which are kept running because the temples have ceased to exist or the grants are misused for some other reason? Is it necessary to have some general rule to regulate such grants of this kind and if not a satisfactory arrangement dealing to allow such grants, taking with only individual applications as they are received and investigating on compliance with any general condition to be complied with by such conditions to existing grants or the claim of new institutions requiring to be made

Subject.- Enhancement of the cash grant of Sri Narasimhaswami temple at Savandurga, Magadi Taluk.

---

62 Sri Narasimhaswami temple at Savandurga is a Muzrai Institution endowed with an annual cash grant of Rs. 4-6-0.

63 Archak Narasimhaiya presented a petition during His Highness' tour in the Magadi Taluk, praying for Government help for the conduct of the Rathotsava of the said temple and the Private Secretary's D.O. letter No. 41 dated 11th August 1925 forwarding the petition stated that it was His Highness's desire that the Memorial should be disposed of as sympathetically as may be possible and that orders passed or proposed to be passed should be reported for His Highness's information. The Muzrai Commissioner in Mysore has now reported that the Archak has been carrying on the annual Rathotsava etc. with the help of the devotees; that the temple is in need of help and recommends that the annual cash grant of Rs. 5-13-0 of Haveli Vinayaka in Fort, Bangalore City and of Rs. 11-9-0 of Sri Varadarajaswami temple in Jodi Singapura village, Bangalore Taluk, amounting in all to Rs. 17-6-0, with the Inam lands of Sri Varadarajaswami assessed at Rs. 13-4-0 might be given as additional grants to this temple. The institutions the grants of which are proposed to be transferred are defunct.

64 I agree in the above recommendation and it is proposed to sanction it. I submit the case for His Highness's gracious perusal. The delay in dealing with the Archak's representation is due to the need for settling the general question of augmenting the grants of religious institutions which was decided in Government Order No. 1769-72/Muz. 49-28-2 dated 1st March 1929.

No. C 2749/25-6 Office of the Muzrai Commissioner in Mysore,
one one file Dated Bangalore 23rd October 1925.

From

C.S. Balasundaram Iyer Esquire, B,A,

Muzrai Commissioner in Mysore,

To

B. Srinivasa Iyengar, Esquire, B.A., B.L.,
Secretary to the Government of His Highness
the Maharaja of Mysore, Revenue Department
Bangalore.

Sir,

With reference to your letter No. 203/ M.F.72-25-3 Dated the 10th September 1925 requesting the submission of a report on the petition presented to His Highness the Maharaja of Mysore during his tour in the Magadi Taluk by Narasimhaiva praying for Government help for the conduct of Rathotsava of Sri Narasimhaswami temple at Savandurg, I have the honor to state that the Deputy Commissioner, Bangalore District has in his letter No. 1144-25 dated 19th October 25 reported that the archaks with the help of the devotees are now carrying on the Car festival that the existing practice need not be interfered with until a definite and sufficient annual income is guaranteed and thus recommends an increase of the annual cash grant from the State Funds if any saving is available for such re-appropriation in consideration of the importance of the institution. The Katte is stated to be open to pilgrims during Jatra season and as regards accommodation for pilgrims there seems to be some Mantaps; the question of construction of a Chatram cannot be taken up in the absence of sufficient contribution from the devotees.

A copy of Deputy Commissioner's letter together with the vernacular records received therewith in original is enclosed.

I have the honor to be,
Sir,
Your most obedient servant,

C S Balasundaramaiyer

Muzrai Commissioner.

Collector's No C.3-1144-25 dated 10th October 1925 from the Deputy Commissioner, Bellary District to the Muzrai Commissioner and My order.

"With reference to your No.C. 974 of 25-26 dated the 15th September 1925 forwarding for disposal petition from Narasimhiah, Archak of the Sri Narasimhaswami Temple at Savandurga in the Magadi Taluk, praying for Government help for the conduct of temple Rathotsavam etc., I have the honour to submit as follows. The petitioner's prayers are briefly stated in his petition are (1) that the car festival should be made at Government cost, (2) that the Bidaru Katte (tank) be thrown open for public use and (3) that accommodation should be provided for the pilgrims visiting the Institution.

3. The Amildar in submitting his report has stated that the temple is largely resorted to by the devotees by from several parts of the State as the Institution is well known in those parts though it is situated in the midst of a jungle, that it has got only a small cash grant of Rs.10-7-10 per month and has no land grants, that the offerings given by the devotees are all being appropriated by the archaka, and that the petitioner, is sufficiently rich and independent, and that there is an amount of Rs.964-14-1 at the credit of the Institution.

4. As regards the first prayer of the petitioner, the Amildar reports that the car festival cannot be conducted at Government cost unless there is a special grant for the same, as there is no recurring income to the temple either in the shape of lands or cash but the archaka with the help of the devotees are now carrying on the car festival once a year and that this practice may not be interfered with until a definite and sufficient annual income to the temple is guaranteed.

5. As regards the second prayerof the archak, it is reported that access to the Katte, which is situated at a distance of half a mile from the temple has been ordered to be given to the pilgrims during Utsava. Vide Government Order No. R.7000-1/ t.100-13-11 dated 20th December 1913 a copy of which is enclosed herewith for reference.

reference.

6. As regards the third prayer of the petitioner the Amildar reports that none of the devotees came forward with any help as promised, that the question of constructing the Chatram was dropped after due consideration, as there were no sufficient funds at the credit of the institution, and that there are some mantaps and the temple of Veerabhadraswami at the place for the accommodation of pilgrims at present.

7. In these circumstances, I recommend that an increase of the annual ex cash grant may be sanctioned from the State Grant if any saving is available for such re-appropriation in consideration of the importance of the institution to meet the expenses of Rathotsavam.

8. The two files of records received with Closenet Sub Division Officer's memo No. H.C. 191 of 25-26 dated 10th October 1925 are submitted herewith for reference and return.

I agree with him and recommend that these lapsed grants amounting to Rs. 17-6-0 per annum may be transferred to the ------ Savandurg Narasimnaswami Temple in addition to the Cash Grant of Rs 4-6-0 now enjoyed by this institution.
